*One's student days
are filled with both
trivial and significant
memories. Perhaps this
book will help you
recall your own.*

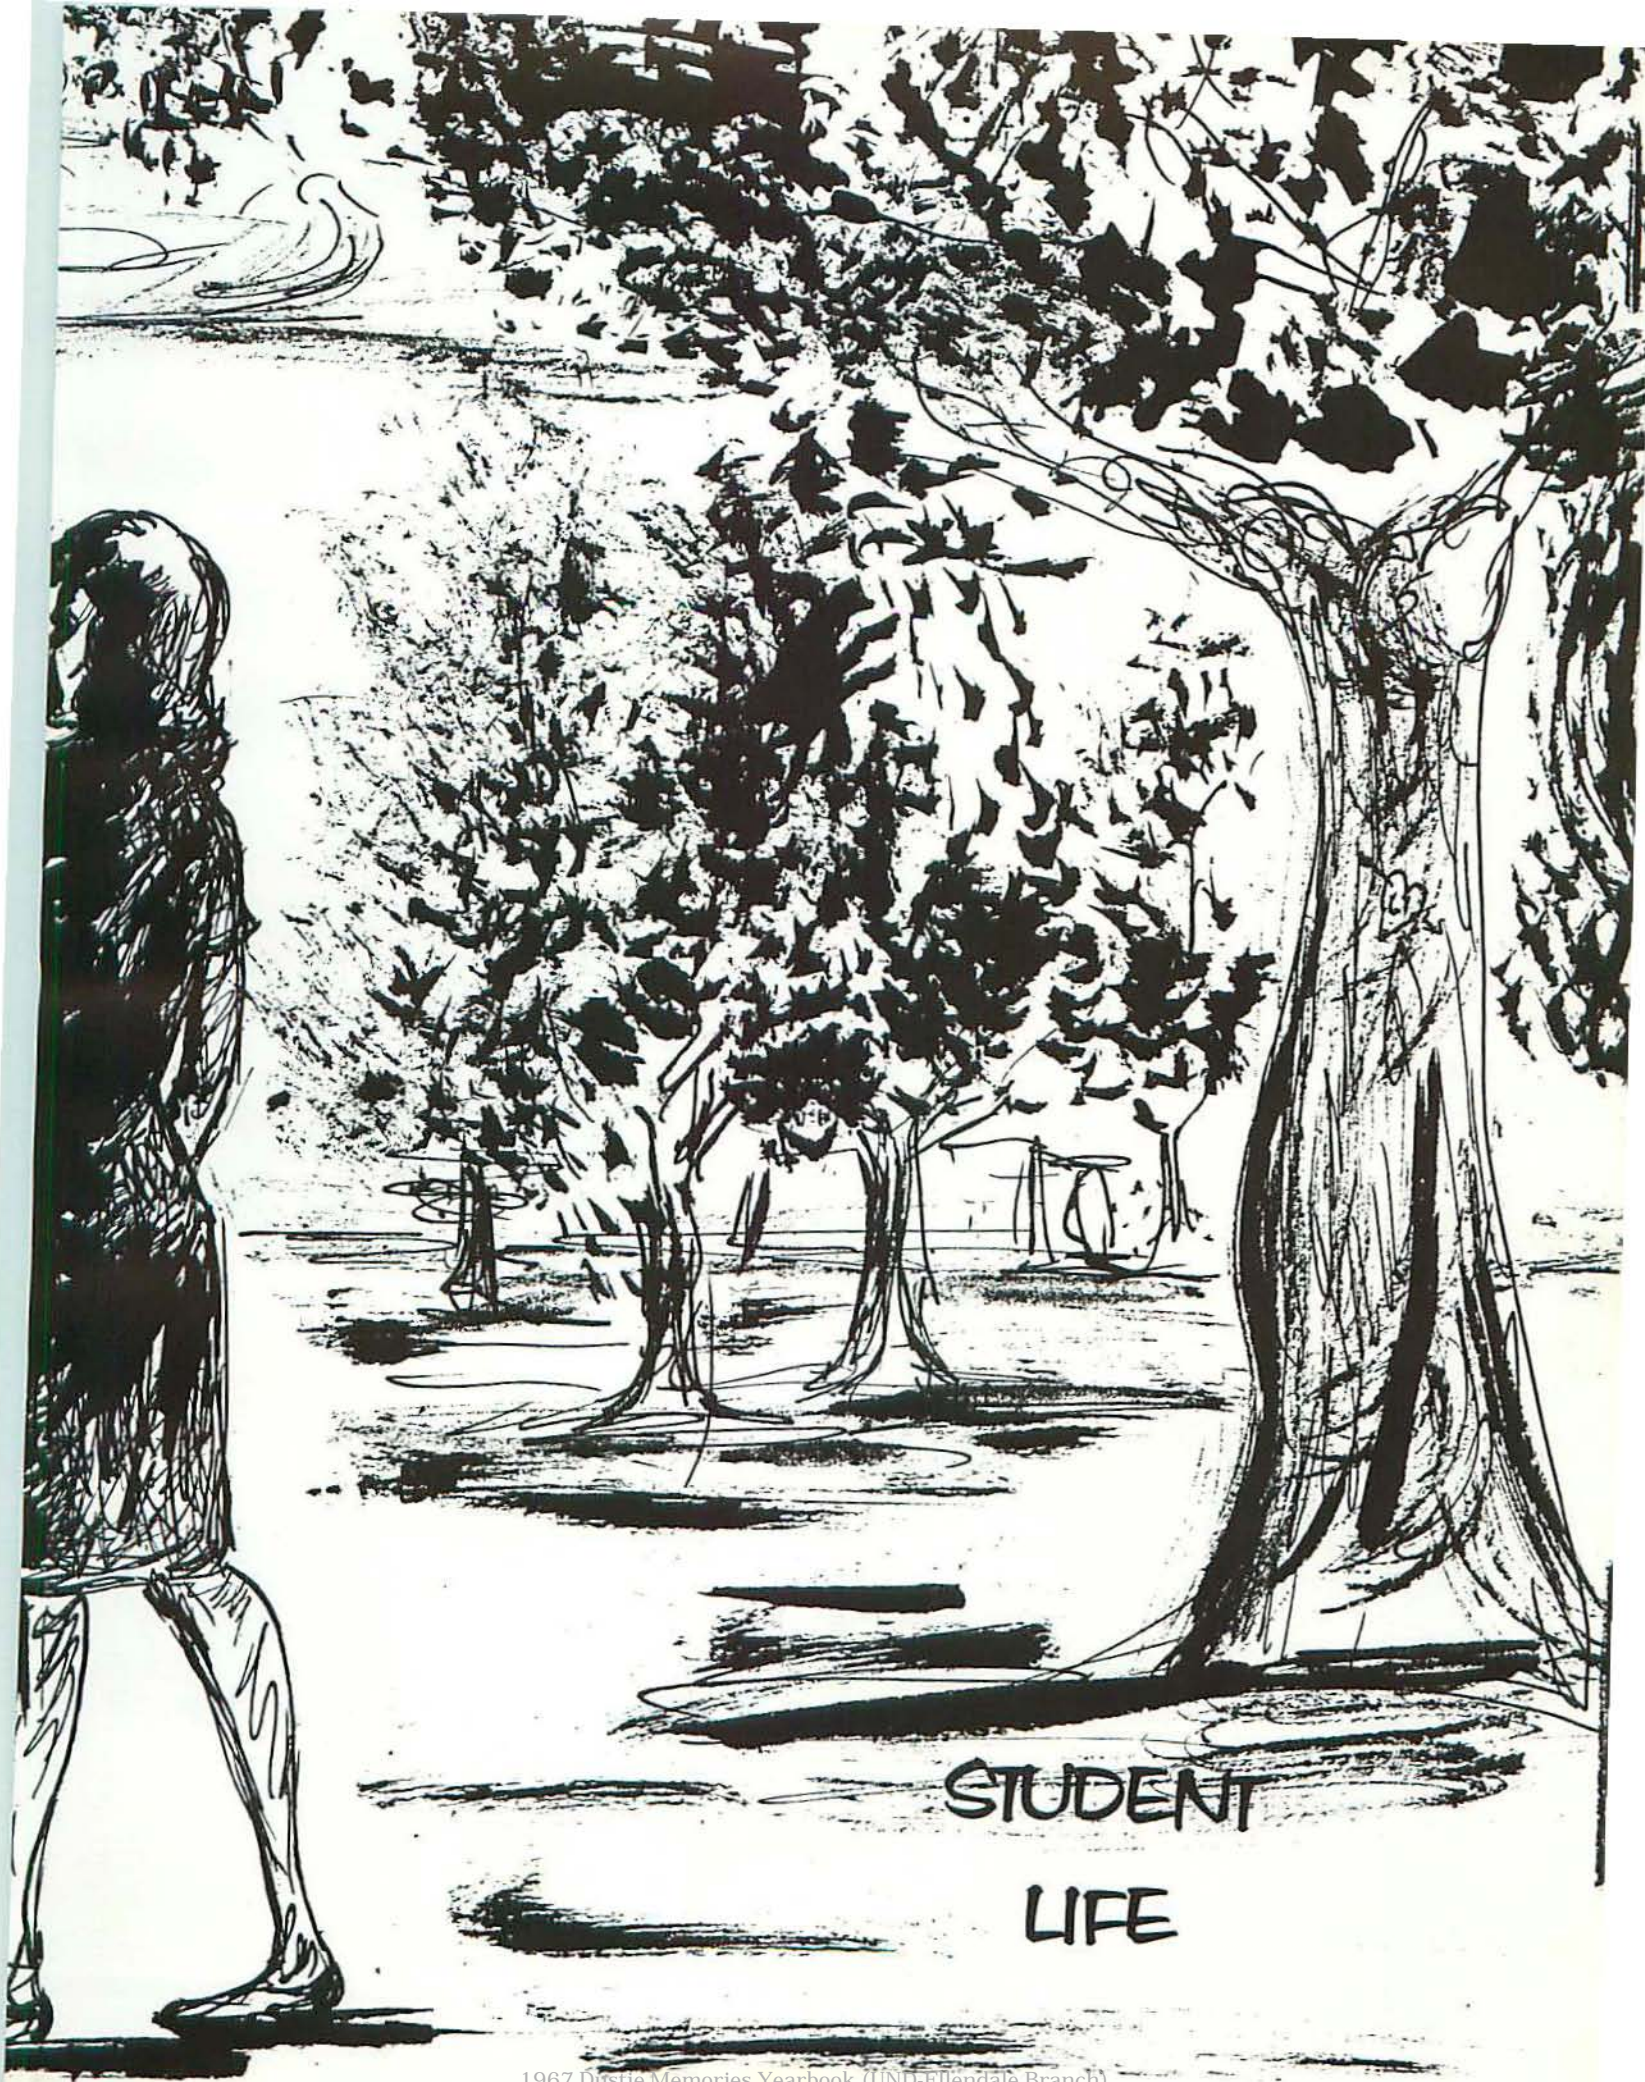

*Thrills,
excitement,
and suspense
characterized
the traditional
Homecoming events.*

*Hard work, butterflies,
and success distinguished
the dramatic performances.*

*Laughter, entertainment,
and fun sparked the
Talent Show.*

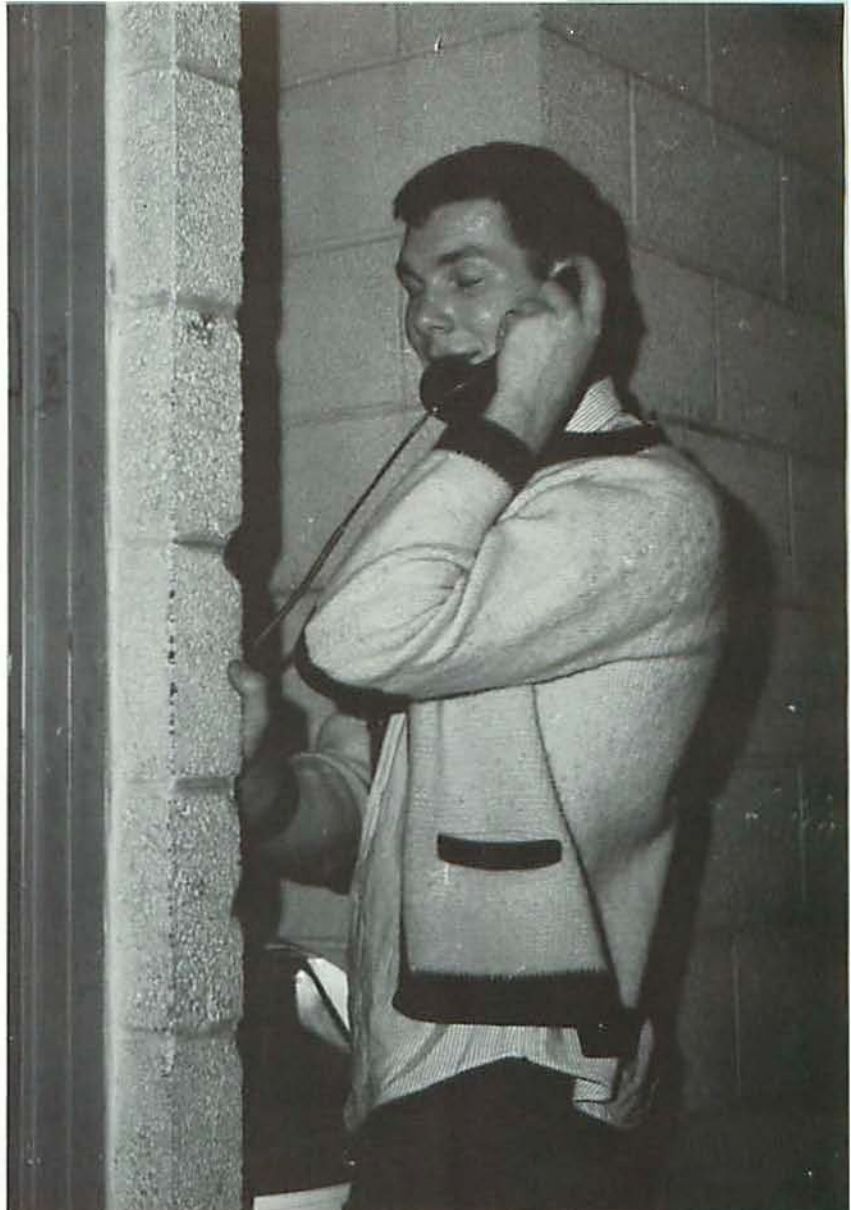

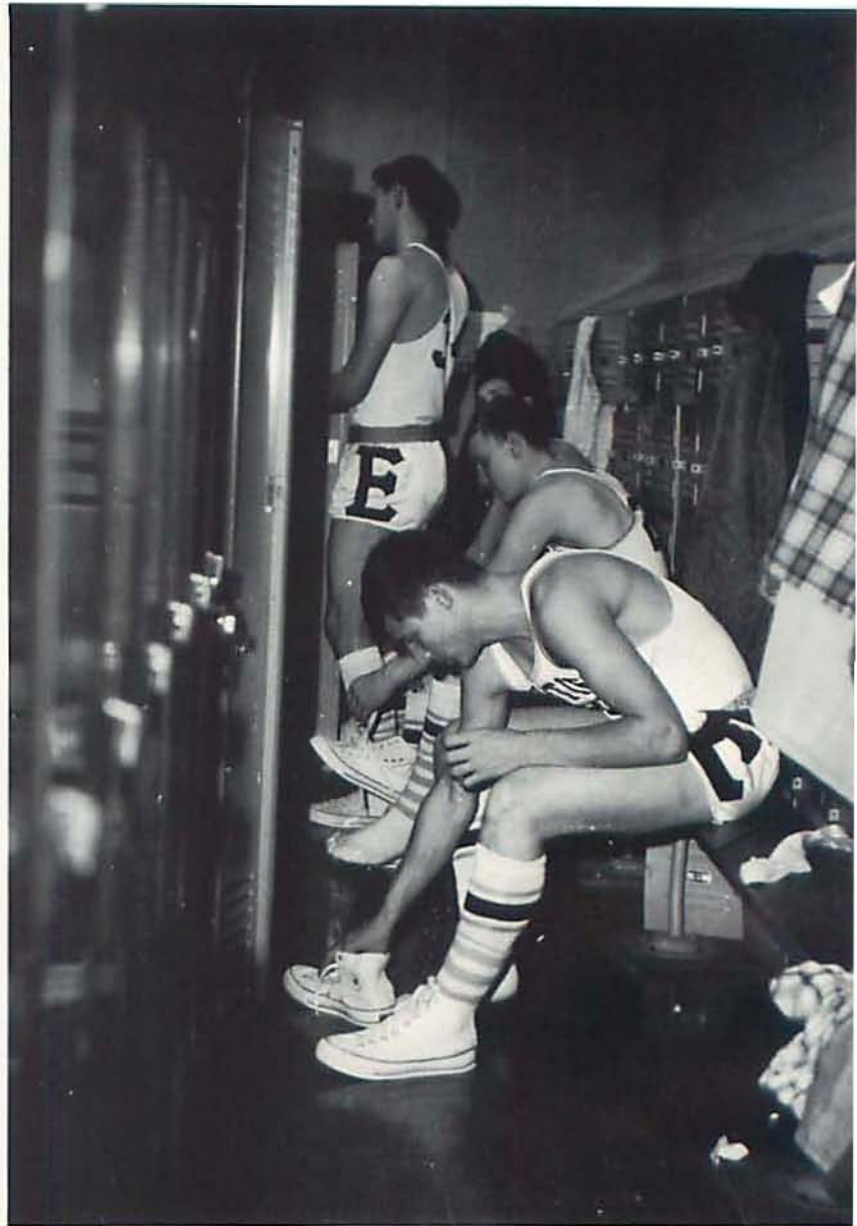

*Eating, drinking, and
studying were choice
pastimes in the new
Dustie Den.*

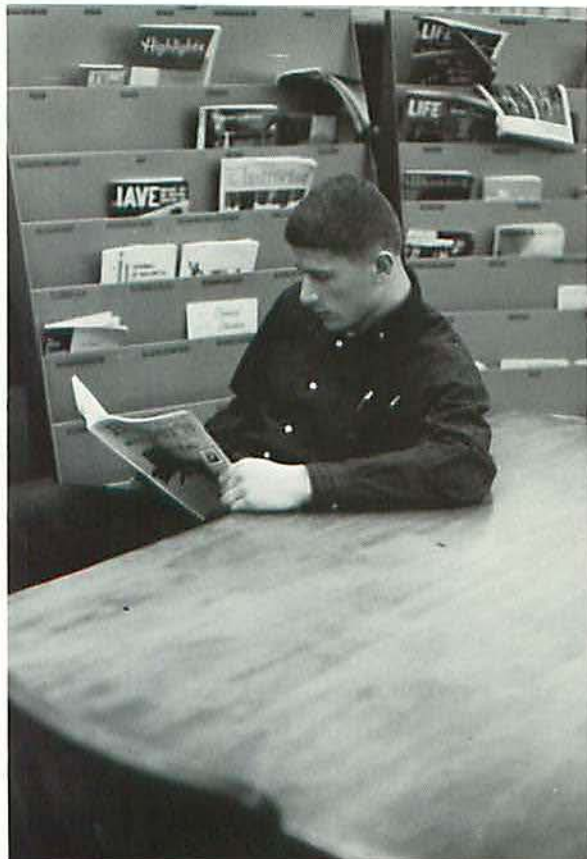

And we studied most of the time

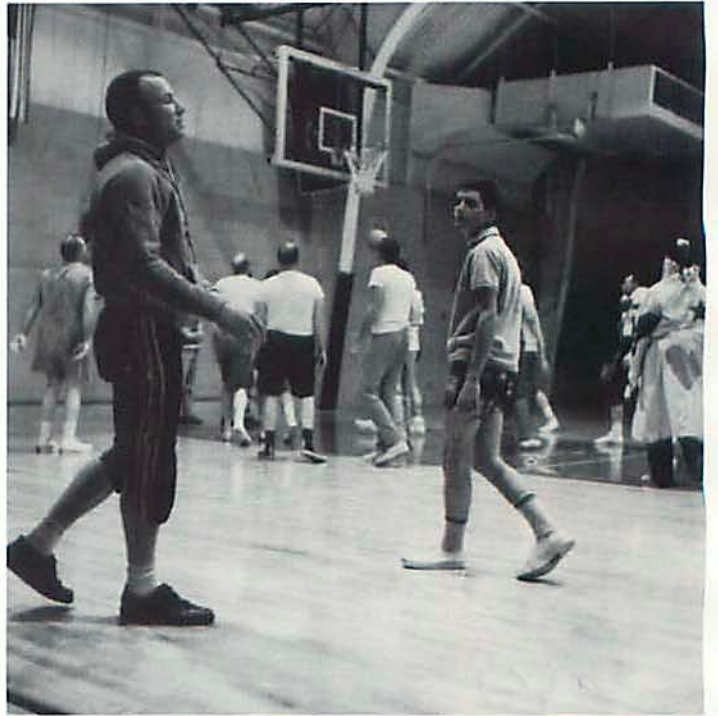

With the ratio as it was,

The Cosmos . . .
. . . in chaos

'The A. A. . . .

and A's.

THE MUSIC TOUR

"Man is as grass . . .,"

*and so it was
for three days,
from meal to meal,
and song to song;*

...Until the well went dry.
